Project for 2026-2028: Involvement in Your Community

Theme for 2026-2028: Reconnect & Rediscover

Hi Everyone

Well the thunder and lightning has not been very pleasant, but we were one of the lucky ones we still had power. When your house is all electricity you need a torch or candles handy.

Went to use our lux the other day and it would not suck very good, don't you hate that, Alan said he would fix it, went to lux after he fixed it, well he fixed it alright it would not suck at all, we brought a new one at the home show, then our Internet keep buffering, it was really annoying, my brother said just ring up and get a new modem he never told us we had to pay for it, now we have a great Internet no buffering, but the printer did not like the new modem and would not work because it was too old, so now we had a new printer. What a expensive week.

Yours in friendship Christine

National

The next National 106 AGM will be held in Gisborne on the Monday 24th and Tuesday 25th May 2027. There will be a dinner on the Tuesday evening if you would like to go let Christine know.

National have sent out a survey for members to fill in and send this back by 30th August. I hope some members or the Institutes have done this together.
